Disclaimer

Subject to Contract. Neither this nor any other email(s) sent or received on behalf of Brackley STEM Academy will form or form part of or give rise to a legally binding agreement. Legally binding agreements may be concluded on behalf of Brackley STEM Academy only by [authorised signatories] **OR** [staff] and only by means of a single document signed by that person which expressly states that it contains all terms of an agreement and that it is binding as a contract. None of [our] **OR** [my] other officers, employees or agents are authorised to enter into any binding agreement with another party by email or other means [without the express written confirmation of [an authorised signatory] **OR** [staff]].

This email and any attachments are confidential (unless expressly stated otherwise) and are not intended to be read by any person other than the addressee(s). If you are not an addressee or authorised to act on their behalf, do not read, print, re-transmit, or store this email, any information contained in it, or any attachments. If you are not an addressee, do not act in reliance upon the content of the email or any attachments. If you have received this email in error, please contact [us] **OR** [me] on enquiries@brackleyacademy.co.uk or 01280 811 356 to inform [us] **OR** [me] of the error and then permanently delete this email.

Any and all emails sent to [us] **OR** [me] may be monitored and/or stored by [us] **OR** [me] to ensure compliance with relevant legislation, rules, and policies. All communications are handled in full compliance with current data protection legislation in force in England and Wales including, but not limited to, the Data Protection Act 2018 and the UK GDPR. For further information, please refer to [our] **OR** [my] Privacy Policy [and [our] **OR** [my] website Terms and Conditions].

Computer viruses and other malware can be transmitted by email. Emails may also be intercepted by unauthorised third parties. It is your responsibility to ensure that you have in place suitable internet security measures, including scanning incoming emails and attachments for viruses. Brackley STEM Academy accepts no responsibility for any viruses or other malware transmitted in this email or any attachments, or for any alteration or corruption that may occur during transmission.
